his proper and correct name in
fear of what I'm doing with
filing this motion to move the

1988 civil complaint against the
State of Massachusetts DEARE of
Department of Corrections. Well
when I looked up at my cell door
window I recognized the face
of a man who just recently
drove by me while I stood in
front of the city BUS ROUTE on
ALBANY AVENUE heading to NUBIAN
STATION BUS #ONE (1) Well Sir/
MADAM your honor, this MAN'S
FACE WAS 100% the man who
drove in a new like white MUSTANG
CAR. he WAS wearing a Department
of Corrections uniform white MAN
very short medium brown hair
about 28- to 34. years old. This
man drove by me while I WAS
smoking me a cigarette while
I WAS waiting for my bus
he slowed down rolled-down his
driver-side car window and said
very nasty with a great-deal
of pure almost like a Hitler
"Hate" towards me, he yelled
out to me, Die you. Fagot Die.
I WAS SO shocked because
we never hear or see this type
of hate on ALBANY AVE near
the main homeless area of MASS
ACHUSETTS AVE, connects to ALBANY

Ave Street. Well your Honor
3 Days later the same thing
happens to me again. But this
time he stopped and told me
Be Careful Walking At Night

would run-me over After They
got off of Their Work. This
totally Frighten Me. I like to
add this man called me a Dis-
grace close to the "White Race"
He Brought forth →
His View of my Gender & assum-
ed I was a Gay White male -
pretending to be a woman. I like

In Boston, your Honor my injuries were indeed (so bad pictures) were taken, and the hospital refused to allow me to return to the jail. And they called the hospital's lawyers and got the state police to watch over my personal safety until all my treatment was complete in fear of more assault being done to me by any other state correctional officers who also came with me from the jail. X 2 officers drove with me to the Boston Medical Center. I'm not sure on exact date's but I think it was Jan through March 2023 in 8-1-unit Cell 6 in Southbay County Jail. I only knocked on the cell door because the button we inmates were informed to push on our cell wall to alert the front desk 500 to 1,000 feet from my cell did not work nor "Beep" the alarm at the officers desk. So when officers are mad and upset they have a routine not to allow inmates they choose not to open their cell doors so the inmate may go to the restroom for bowel movements and to urinate. Remember your honor I'm a transgender placed in a all male unit, with the few officers of

My Unit who was The MAN who violated Federal laws through pure Hate-crime Activities on Albany Ave Before I came into this jail. This same officer is now my unit officer of my cell-Block. Soon as this MAN seen me on my Bunk ~~xxx~~ He called me to the cell door and said that if I knock again on his cell door, I would have problems you hear me "FAGGOT BOY" So I got real scared and almost started to cry because I felt something bad was going to happen to me, I lost my Bowels again and urinated in my pants and 3 minutes later 10 officers G "Cert" Team yelled to me to cuff-up, to back up to the cell door, it took me a few moments because I lost my Bowels in my pants & urinated because I waited 3 1/2 hours in a cell without a running Restroom/toilet. But I indeed tried to cuff-up and when I put my hands out the cell-door flap they hurt me by bending my wrist to almost breaking them, all this got so out of control they came into my cell and beat me so bad the entire cell floor was covered in my blood. G. The officer lay on top of my back he whispered

in my ear, how you like this
 pretty-boy ~~he~~ He Rubbed his
 private parts into my Buttocks
 my = ASS = I cried out, all I
 wanted to do was use the
 Restroom, and all this was
 video-taped D.O.C has the
 Footage. I'm still in danger
 now on 07-04-2025, I'm now
 being Discriminated Against
 by NOT allowing me my female
 needs and still being Harassed.
 I have many Grievances.
 Your Honor I kindly seek your
 Quality and Professional Time
 to Review and Consider my Claim to
 Move Forward, And I seek
 Policy Change for Gender Hate
 and Gay Rights in The Dept. of
 Corrections in Massachusetts and
 a Request for Money Damages
 in the amount of \$2. million
